Message of Gratitude and Appreciation

On behalf of the Salesian Convent and Institution in Bethlehem, represented by Fr. Jesudoss Arokiam, and the leadership of the Salesian Scouts and Guides – Bethlehem, we extend our sincere gratitude and deep appreciation to Father Wilfried Schumacher, to our dear friends in the city of Bonn, and to all benefactors who supported our mission and our work.

Your solidarity, generosity, and trust made a meaningful difference during this season, enabling our scout group to return with strength and dignity to public and religious celebrations after a period of great challenge.

Through your support, our scouts were able to participate actively in the Christmas and Epiphany celebrations, offering a visible sign of hope, unity, and faith in the streets of Bethlehem. Your commitment has helped create safe spaces for children and young people, strengthening their sense of belonging and encouraging them to continue serving with joy and responsibility.

We are deeply thankful for your partnership, prayers, and friendship. Your support stands as a powerful testimony to the shared values that unite us beyond borders and distances.

With heartfelt gratitude and prayers for each one of you,

Fr. Jesudoss Arokiam,
Director of the Salesian Monastery and Institution – Bethlehem
